

ASP GLOBAL MARINE TRADING LLC

Part of Ocean Serenity Group

“Driven by Quality Propelled by Trust”

ABOUT US

ASP Global Marine is a specialized marine and offshore product solution provider delivering high-quality equipment, spare parts, and consumables to vessels and offshore installations worldwide. With a strong focus on operational reliability and compliance requirements of the maritime industry, ASP Global offers product solutions for equipment/mechanical systems, safety items, deck/engine stores and engine spares. This is backed by extensive sourcing capabilities and technical product knowledge, which enables ASP Global marine to serve shipowners, ship managers, operators, and marine service companies throughout the maritime sector.

OUR COMMITMENT

At ASP Global, we are committed to reliability, responsiveness, and technical accuracy, ensuring our clients receive the right products at the right time every time.

OUR STRENGTHS

Comprehensive Marine Product Portfolio

Genuine, OEM & Equivalent Spare Parts Sourcing

Rapid Response And Global Logistics Support

SOLAS, IMO & Class Compliant Equipments

Competitive Pricing Without Compromise On Quality

Strong Supplier Network Across Europe And Asia

Our Associated Partner

Guangzhou HG Marine Co. Ltd.

Founded in 2005, develops and manufactures innovative marine steering gear and rim thrusters, backed by over 100 patents in steering and electric propulsion technology.

Latest Technology Rim Thruster is composed of ring motor, propeller, water lubricated bearing and energy-saving duct. The motor directly drives the propeller to generate thrust, and the energy-saving duct further improves the thrust force.

- No Engagement, Less Noise, No shaft
- No Transmission, High Efficiency, No appendage
- Less Resistance, Lighter Weight, No seal

HG MACHINERY GROUP
中国·黄工机械集团

Hg Machinery Group

A large professional manufacturer specializing in twin screw, three screw, gear, vacuum, centrifugal, and deep well cargo pumps, along with hydraulic, electric pumps, and various valves. The group is certified with CE, ISO9001, ISO14001, and OHSAS18001, and its marine products are approved by major classification societies including CCS, BV, KR, ABS, NK, RINA, and RMRS.

Products include:

Deep Well Pump, Twin Screw Pump, Three Screw Pump, Gear Pump, Centrifugal Pump, Emergency Fire Pump, Diaphragm Pump, Vacuum Pump

KINTOWE 金泰

Zhejiang Kintowe Sealing Technology Co

Founded in 1986 and specializes in sealing systems and marine bearing solutions, including hydraulic seals and composite components.

Water Lubricated Stern Tube Bearings

Eco-friendly bearings designed for efficient stern tube and rudder applications.

Marine Bearing Series

Composite Rudder Bearings

Low wear, low maintenance bearings with self-lubricating properties for long service life.

Rudder Pintle Bushes

Durable composite bushes with smooth performance, built for harsh marine conditions.

Bearing Bushing Materials:

- ① Composite Material PFC-6 and Composite Material PFC-22
- ② Phenolic-Based Composite Water-Lubricated Bearings
- ③ Polyurethane Water-Lubricated Bearings

Zhejiang Huayi Ship Equipment Manufacture Co, LTD.

Zhejiang Huayi Ship Equipment Manufacture Co, LTD.

Specializes in marine oil treatment equipment, including heavy fuel and lubricating oil separators, oil supply units, sewage treatment units, and self-cleaning oil filters.

S-TYPE Separator

A separator without a gravity ring, suitable for high-density fuel oils up to 1,100 kg/m³ and viscosities up to 700 cSt at 50°C.

S-TYPE Separator Module

An integrated, PLC-controlled unit with automatic operation, alarms, monitoring, touch-screen display, and remote control room connectivity.

P-TYPE Separator

A separator that uses an adjustable gravity ring to effectively separate oil and water for oil purification.

P-TYPE Separator Module

A compact, PLC-controlled system with touch-screen monitoring, fault analysis, data storage, and remote monitoring capability.

北京中航化安全阀销售有限公司
Beijing Zhonghanghua Safety Valve Sales Co., Ltd.

Beijing Zhonghanghua Safety Valve Sales Co., Ltd.

Established by 1998 which is the sales entity especially for safety valves and specialty valve designed and manufactured by Beijing Aerospace Propulsion Institute Pressure Relief Branch.

Products include:

- Safety Valves
- Pilot Operated Safety Valves
- Pressure Relief Valves
- Change Over Safety Valves
- Pressure Vacuum Valves
- Gas Blanket Pressure Vacuum Valves
- Emergency Pressure Vacuum Valves
- Automatic Recirculation Valves

Changzhou Qianmai Mechanical Equipment Technology Co., Ltd

Changzhou Qianmai Mechanical Eqpt. Tech. Co. Ltd

A professional company dedicated to the research and development, production, sales, and after-sales of disc separators. Accurately serving industries such as equipment manufacturing, industrial environmental protection, oils, chemicals, pharmaceuticals, food, beverages, biopharmaceuticals, and shipbuilding.

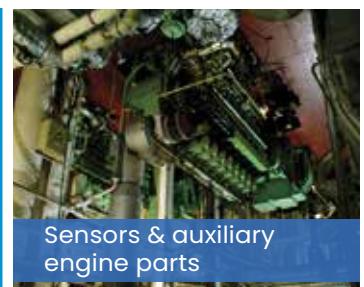

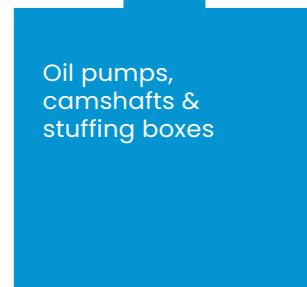

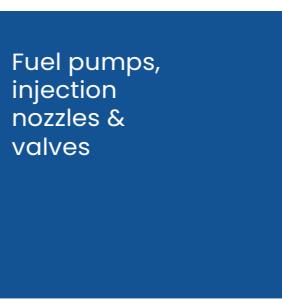

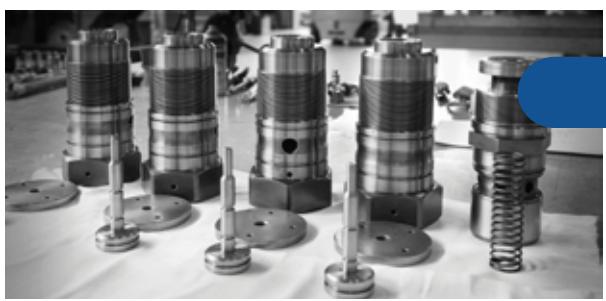

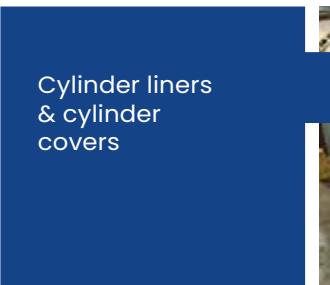

Products include:

- Coal Tar Oil Centrifuge Disc Separator
- Marine Oil Separator
- Liquid Solid Separation Centrifuge Separator
- Industrial Liquid Solid Separation Equipment
